- This Sunday! September 1 @ 8 PM

- **WHERE DO I GET INFORMATION ON SIGNING UP FOR VENDOR CLUBS?**

- All of the information and sign up information is available at <https://www.russellleepta.org/lee-clubs-2024>

- **HOW WILL I GET ACCESS TO CLUB REGISTRATION?**

- We will posting the registration link to our Lee PTA website and Konstella concurrently.

- **HOW MANY CLUBS CAN I SIGN MY STUDENT UP FOR?**

- You can sign your student up for as many clubs as you would like! There is no limit like last year. But please remember that once you register, you will not be granted a refund for cancelled clubs.

- **CAN I GET A REFUND IF MY STUDENT DOESN'T LIKE THE CLUB OR WE CHANGE OUR MIND AND DECIDE TO DROP THE CLUB?**

- No, we will not be offering refunds/ partial refunds. The revenue of the clubs are critical to ensure that our club leaders gets paid and able to afford the supplies needed. Once you enroll your are responsible for the whole cost of the club for the semester.

- **WHAT WILL THE REGISTRATION PROCESS LOOK LIKE?**

- The registration will be simple! You will choose the clubs you want your student(s) to enroll in, enter your credit card number and you're in! Payment processing will happen at the time of enrollment. When you sign up you will be able to see the remaining number of spots in each club and if a club is already full.

- **WILL THERE BE A WAIT LIST?**

- If the club you want is full, you will be prompted to email enrichment@russellleepta.org to enquire about a wait list. If a spot opens up you will be notified, but I wouldn't recommend making your choices around getting into a full club given the commitment during registration.

- **CAN YOU JOIN THE JAPAN TRAVEL CLUB IF YOU DON'T KNOW IF YOU CAN ATTEND THE SUMMER TRIP?**

- Absolutely! The Japan club is open to anyone in Grades 2-6 who wants to know more about Japanese culture. More details to come from Ms. Abeyta about the optional summer trip.

- **WHY ARE SOME LEE CLUBS SO MUCH MORE EXPENSIVE THAN LAST YEAR? WEREN'T THEY FREE BEFORE?**

- Last year's club program was a pilot to see if the PTA could supplement the cost of the clubs in tandem with parent contributions and create a sustainable program. Unfortunately, we didn't get the anticipated parent contributions and the program cost the PTA \$40,000 last year. This year, we have created a caregiver funded program (with scholarships provided by the PTA) that will be self sustaining so our kids can continue to have access to the same high quality club experiences!

- **TELL ME MORE ABOUT THE ROADRUNNER READER CLUB...**

- Invitations for this club will be via teacher nominations once the school year gets going. The day of the club is TBD and the club will be optional and additional to the quality differentiation literacy support all children are receiving during school hours.
