**DM Olivia**

I've been working with kids since high school, volunteering at a Boys & Girls Club and, more recently, assisting a 3rd-grade math teacher through UT's uteach program. I plan to become a college educator, but I love making learning fun for everyone, whether in the classroom or around the gaming table.

## ABOUT ME

Hi! I'm Olivia, the current president of Texas D&D at UT Austin. I'm a senior this year and have been an active club member since my freshman year. Last year, I served as our Outreach Director and have been running a long-term home-brew 5e campaign for over a year.
