

FOODS & BEVERAGES PROVIDED

- Campuses may not serve or provide access to foods of minimal nutritional value (FMNV) and all other forms of candy at any time anywhere on school premises until the end of the last scheduled class.
- FMNV's: soda water, water ices, chewing gum, certain candies (hard candy, jellies and gums, marshmallow candies, fondant, licorice, spun candy and candy coated popcorn).
- All food and beverages provided to students will meet USDA Smart Snack standards. Healthy options, fruits, vegetables, and water for example, are preferred and should be offered.
- Fruits, vegetables and Smart Snacks are available for purchase through Café Managers.

ELEMENTARY SCHOOLS

Campuses may not allow food or beverages to be provided to students at any time during the school day, with the exception of a healthy snack and water.

MIDDLE SCHOOLS

Campuses may not allow food or beverages to be provided to students anywhere on campus 30 minutes before to 30 minutes after meal serving times.

HIGH SCHOOLS

Campuses may not allow food or beverages to be provided to students during meal times where meals are served or consumed.

CELEBRATIONS

- **Celebrations of any kind, with or without food, may not interfere with students regular meal service times.** Students must have access to healthy school breakfast and lunch daily.
- Parents may bring items to celebrate their child's birthday; however, they cannot be provided to students in the cafeteria during meal service times. Birthday food items may only be shared after the last scheduled class of the day.
- A campus may develop additional guidelines concerning birthday celebrations, such as number of celebrations per month and certain time to celebrate, so as not to interfere with instructional time.
